DETAILED ACTION

The following is an examiner's statement of reasons for allowance: The claimed method is directed to reducing the polydispersivity of high molecular weight polyetherimides. While various methods of reducing the polydispersivity of high molecular weight polyetherimides are known and disclosed in the prior art of record, none of the references of record disclose the claimed combination of specific solvents and anti-solvents that are employed in the claimed method steps..

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Irina S. Zemel whose telephone number is (571)272-0577. The examiner can normally be reached on Monday-Friday 9-5.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, James Seidleck can be reached on (571)272-1078. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
